

Minutes of Committee Meeting 28/02/2011

Present: David Reid, Pete Conte, Kenny Ross, Stephen Latter, Thomas Fairlie, David Thompson, Diane Kane

TRIPS

1. Trips are all coming together, Some confusion over numbers and names for 1999's but Davie R and Davie T to sort this out. Buses, Hotels, Match and Theme parks all booked, Still Awaiting teams to reply to confirm games for age groups.

FUNDING

2. Bag packing was a great success and well supported by all age groups, we raised the sum of £1120 and all coaches were thanked for their support to this.

We received feedback from Glasgow City Council to say we had been successful in achieving a **£1000** grant award, we had asked and hoped for more but this will be a great help towards trips etc. We have a few more grant forms to be completed but times running out so may be that we have to keep them for dates re opening.

3. **NEW TEAMS**

Discussion around possibility of starting a new age group, Davie R would like to start a team of 2006's as this was the year we started, he has people interested in taking this team so will discuss next meeting to get things rolling for August if possible.

4. **FEE'S**

Davie R has asked that we try to keep fee's up to date and to him to be banked ASAP every month, 1998's to try and go to Direct Debit for as many parents as would like to take this, so far positive feedback from parents so hopeful majority will take up this option.

Date of Next Meeting Monday 4/4/11 @ 8pm
